Neon Pink

Neon Red

Color Range: 6

Shape: Round

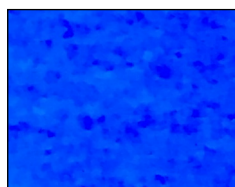

Core: Fluorescent Neon Color

Astra Neon colored pencils add pop to drawings. They can be used as dry highlighters, as accent colors within a larger work, or to create special effects under a black light. The Astra Neon fluorescent colored pencils work exceptionally well with the Koh-I-Noor Black Drawing Paper. Astra Neons are available in a set of six colors: neon green, neon blue, neon orange, neon yellow, neon pink, and neon red.
